

# Publishing results obtained from ESRF data

## Article writing process

Properly acknowledge ESRF staff as co-authors if they were one of the scientific drivers of the work done, or played a key role in the experiment.

Acknowledge the ESRF and the EMBL Grenoble,

according to:

"We would like to thank the staff of the ESRF and EMBL Grenoble for assistance and support in using beamline(s) XX, YY, ZZ under proposal number ###."

Specify the **beamline**

Specify the **proposal number**

Cite the **ESRF data DOI**. The unique Digital Object Identifier of each experimental session can be found in the user portal and the data portal.

## After the article is published

### Inform the library

- Upload your article reference and your **postprint version** (if the article is not open access) in the library database:  
<https://epn-library.esrf.fr/flora/>
- or **send** an email to [library@esrf.fr](mailto:library@esrf.fr) with your **postprint version** (if the article is not open access)
